WINE PAIRINGS

Our sommeliers curated two distinct selections for you to choose from, both which will compliment your experience in different ways. Each pairing is thoughtfully crafted with the same dedication and passion, offering a distinct style and purpose - one is adventurous and original, the other refined and indulgent - catering to different occasions and preferences.

Our signature wine pairing showcases a selection of off-the-beaten path wine regions and styles, designed to invite guests to explore lesser known appelations and producers.

The elevated wine pairing offers an in-depth dive into prestigeous wine regions and word class producers: Grand Marque Champagne from exceptional vintages, premium sake from to partisans and a Grand Cru level wines from acclaimed appellations.

CHAMPAGNE SELECTION

Champagne is the overture to our dining experience — a celebration of precision, patience, and place.

From the timeless mastery of houses such as Krug, Dom Perignon, and Ruinart, expect depth, refinement, and remarkable consistency.

Alongside these icons, we proudly showcase the work of smaller négociants and independent artisans, whose limited-production Champagnes offer distinctive terroir expression and individuality.

WHITE WINES

FRANCE - CHABLIS

Chablis is a refined white wine from northern Burgundy, celebrated for its and elegance.

Made exclusively from Chardonnay, it reveals crisp acidity with notes of citrus, green apple, and flinty minerality. Perfectly balanced, Chablis pairs beautifully with seafood and light dishes.

FRANCE - COTE DE NUITS

Discover the rare whites of the Côte de Nuits — Burgundy's most discreet treasures.

Here, Chardonnay, alongside some hidden-gem vineyards planted with Aligoté and Pinot Blanc, is planted sparingly, often on limestone-rich slopes nestled among legendary red vineyards.

The style is one of poise and subtle power: white orchard fruit, citrus oil, and white flowers layered over a finely etched mineral backbone. Compared to the broader whites of the Côte de Beaune, these wines tend to be linear, saline, and quietly structured — shaped by cooler exposures and stony soils.

FRANCE - COTE DE BEAUNES

Stretching south from the town of Beaune, the Côte de Beaune is home to some of the world's most revered expressions of Chardonnay.

Here, limestone-rich slopes and gentle exposures shape wines of both generosity and precision—ripe orchard fruit, citrus zest, hazelnut, and subtle spice woven around a core of vibrant acidity.

Oak is often employed with artistry rather than dominance, framing the wine without obscuring its terroir. The result is a spectrum that ranges from finely etched and linear to profound and quietly opulent.

RED WINES

RED WINES

BURGUNDY - THE FAR NORTH & THE CÔTE D'OR

From the neighbouring Chablis region, Irancy AOP is known for its vibrant red wines made primarily from Pinot Noir, often with a touch of César for added structure. These wines typically show bright acidity, red fruit flavors, and subtle earthy notes, making them lively and food-friendly.

Cruising South, we have Marsannay, the only appellation Village which produces wines from all three colours. Their typicity is that of the Côte de Nuits, and their style resemble that of their neighbouring appellations Fixin and Gevrey-Chambertin.

The Côted'Or, considered the heart of Burgundy, produces some of the world's most renowned Pinot Noirs.

From elegant, mineral-driven whites to complex, age-worthy reds, the Côted'Or represents the pinnacle of Burgundian winemaking excellence.

INSIDE THE PRODUCER: DOMAINE MÉO-CAMUZET

Domaine Méo-Camuzet is one of Burgundy's most revered names.

A family estate in Vosne-Romanée that marries centuries of heritage with modern viticultural artistry. Under the stewardship of Jean-Nicolas Méo, who took the reins in 1989 and learned from legends like Henri Jayer, Méo-Camuzet wines have risen from largely sharecropped plots to the pinnacle of Pinot Noir excellence, coveted by collectors and sommeliers around the world.

With parcels in iconic terroirs such as Richebourg, Clos de Vougeot and Échezeaux, the estate crafts wines that are both intensely expressive of their land and capable of captivating long ageing—a true testament to the passion and precision of its maker.

INSIDE THE PRODUCER: DOMAINE GEORGES MUGNERET-GIBOURG

Mugneret is a well-known name among wine makers in the Côte de Nuits, particularly in Vosne-Romanée, where it has existed for many generations. It derives from "meunier" of which "mugnier" is a regional form.

The domaine cultivates 8 hectares over 9 different appelations, producing less than 30.000 bottles per year, making them part of the Olimpus of wine-makers from the region. The quality of their wines is based on the respect of the terroir, embracing sustainable methos, enanching the unique expression of each plot.

INSIDE THE PRODUCER: RIDGE VINEYARD, MONTE BELLO

In 1886, high in the Santa Cruz Mountains, the first Monte Bello vineyards were planted and construction of the winery began. The first vintage from the young vines followed in 1892. During Prohibition (1920–1933), the vineyard was not fully maintained; some vines survived into the late 1930s, but by the 1940s they had effectively been abandoned. Eight acres of Cabernet Sauvignon were replanted in 1949. These provided the fruit for the first Ridge Monte Bello (1962) and subsequent vintages until 1974, when younger blocks replanted in the 1960s were also considered for inclusion. To this day, these wines are among the most sought-after and revered worldwide.
